ABOUT MYSELF

I have studied BS Information Technology from University of Gujrat and am a passionate and detail-oriented Junior Frontend Developer with a strong foundation in HTML, CSS, and JavaScript. I enjoy creating clean, responsive, and user-friendly web interfaces. With hands-on experience in building small projects and learning modern frameworks like React.js, and constantly trying to improve my skills and stay updated with the latest frontend technologies. I am a quick learner, a good team player, and eager to contribute to real-world projects while continuing to grow as a developer in a collaborative environment.
